Michaela Crosby
Shire of Kent
Manager Corporate

To Michaela,

On behalf of Nyabing Sports Club, I would like to ask the Shire of Kent if our affiliation fee of \$1000 be waived for 2024. We ask if this amount could be refunded to NSC.

With the recent closure of the Nyabing Pavillion, which we require to host various community events we ask for your understanding that with no use of community facilities that our affiliation fee be waived for this year.

We as a committee strongly support your recent proposal to install a wall divider, this is a great interim solution which may enable us to host community events in the near future.

We as a committee thank you for all your positive support towards Nyabing Sports Club.

Many thanks,

Anna Hobley
Nyabing Sports Club
Secretary.
