9.1 MONTHLY FINANCIAL REPORTS TO 31 OCTOBER 2024

PROPOSED MEETING DATE:	20 November 2024
PROPONENT:	N/A
LOCATION:	N/A
AUTHOR:	Jenni Dolan – Finance Coordinator
REPORTING OFFICER:	Christie Smith – Chief Executive Officer
FILE NO:	FIN.221
ASSESSMENT NO:	N/A
ATTACHMENTS:	Attachment 1 - Monthly Financial Reports to 31 October
DISCLOSURE OF INTEREST:	2024 Nil

PURPOSE

In accordance with the *Local Government (Financial Management) Regulations 1996*, to follow is the presentation of the Monthly Financial Reports to Council.

BACKGROUND

Monthly Financial Reports are to be presented to Council and are to be received by Council resolution.

COMMENT

The Monthly Financial Report as presented indicate that Council continues to be in a sound financial position.

Overview

The October report tabled reflects the financial position of the Shire with 33% of the year gone. Noted in the Statement of Financial Activity is a current surplus of \$4,402,852 as of the end of October 2024. At this point of the year, operating revenue sits below the year-to-date (YTD) budget estimate by 2.15 %, and accounts for 74.4 % of the adopted full-year budget estimate. Operating expenditure sits below the YTD budget estimate by 33.3 %, and accounts for 20.3% of the adopted full-year budget estimate.

Term Deposits

In July 2024, \$2m of Municipal funds were shared equally over two term deposits, with investment periods of three and six months respectively. Maturity of the three-month term deposit arose this month, with the principal and interest component being reinvested for a further three months.

Financial Management Review

The Shire has commenced preparation for the 2025 Financial Management Review (FMR) undertaken every three years. This process will include a review of the appropriateness and effectiveness of the financial management systems and procedures of the Shire of Kent, and will include a review of the Shire’s legislative compliance, internal control and risk management systems and procedures.

Staff are currently assessing the proposals that have been put forward, and hope to inform Council of the successful company at the next meeting. Once a company is appointed, the FMR is expected to commence within a month.

Capital Works

Construction of the two 3x2 residences at 23 Aspendale Street continue to progress well and are currently at 92% of the full-year budgeted expenditure. The administration server and communications upgrade has concluded and while the road asset works and capital housing upgrades progress steadily, sealing works and pavement stabilisation occurring around March next year will see this budget on track.

Purchase of plant and equipment is reported to be behind budget in October, however it should be noted that expenditure of \$400k for the purchase of two work utes, mower and loader, is due to come out of municipal funds in November, bringing this budget area back in line.

Several projects that were expected to commence by October are yet to begin, including the townscape projects and upgrades to the administration building, Nyabing Pavilion and Pingrup Caravan Park.

Note 3 of the Financial Report provides a full listing and explanation of all items considered of significant variance.

9.4 ADOPTION OF POLICY 3.2.6 ANNUAL CLOSURE DURING CHRISTMAS PERIOD

PROPOSED MEETING DATE:	20 November 2024
PROPONENT:	N/A
LOCATION:	N/A
AUTHOR:	Christie Smith – Chief Executive Officer
REPORTING OFFICER:	Christie Smith – Chief Executive Officer
FILE NO:	GOV.344
ASSESSMENT NO:	N/A
ATTACHMENTS:	Attachment 1 – Draft Policy 3.2.6
DISCLOSURE OF INTEREST:	Nil

PURPOSE

To present a new policy for the annual closure of council services during the Christmas period, ensuring clarity and consistency in operations and community communication.

BACKGROUND

Traditionally, the council has observed a closure during the Christmas period; however, this has not been formalised into a policy. The absence of a clear policy may lead to confusion among staff and the community regarding service availability during this time.

Establishing a formal policy will help mitigate misunderstandings and improve planning for both staff and community members.

COMMENT

The proposed policy outlines the specific dates for closure, the services affected, and guidelines for emergency contact protocols during this period.

STATUTORY IMPLICATIONS

This policy aligns with the *Local Government Act 1995*, which allows councils to determine operational hours and service availability. There are no statutory barriers to implementing this policy.

POLICY IMPLICATIONS

Adopting this policy will require the revision of existing operational guidelines to reflect the new closure dates and protocols. It will serve as a framework for future closures and will ensure that all relevant departments are aligned in their approach.

FINANCIAL IMPLICATIONS

The financial impact of the proposed closure is expected to be minimal, as it primarily involves a standard holiday closure.

STRATEGIC IMPLICATIONS

Community Strategic Plan 2023 - 2033
 Civic Leadership Strategic Priorities – Proactive and well governed Shire

This policy supports the council’s strategic goals of enhancing community engagement and operational transparency. By providing clear information regarding service availability, the council can foster stronger relationships with the community and ensure better service delivery.

RISK IMPLICATIONS

The primary risk associated with this policy is the potential for community dissatisfaction if the closure dates are not communicated effectively. To mitigate this, advertising a minimum of three weeks prior to commencement of the closure period will take place to inform residents well in advance of the closure.

For Councillors information the following definitions are provided to explain the variance between the Sections within the Delegations Register.

Delegation from the Council to the CEO – Are instances where the Council delegates the role of undertaking certain roles and responsibilities to the CEO or the CBFCO.

Authorisation by Council – Are instances when an officer or class of officers is formally authorised to act on behalf of the local government in respect to policing specific legislation and the legislation requires that the authorisation be provided by the local government rather than the Chief Executive Officer. This applies only to legislation other than that related directly to the Local Government Act 1995, for example the Dog Act 1997 or the Bush Fires Act 1954.

Authorisations by Chief Executive Officer – Are instances where an officer or class of officer is authorised to take relevant action in relation to a specific legislation, regulation or local law. This is an executive function of the Chief Executive Officer in relation to the Local Government Act 1995 and in other Acts the Chief Executive Officer is empowered to authorise individuals or classes of employees.

It should be noted that powers cannot be delegated to individual elected members, except in the case of the President as specified in the *Bush Fires Act 1954* (currently under review).
