<b>DISCLOSURE OF INTEREST:</b>	Nil

#### **PURPOSE**

Council to review to review and provide updated comments on the proposed transfer of land under the South West Native Title Settlement, specifically in relation to the Shire of Kent's initial submission from February 2023.

#### **BACKGROUND**

In February 2023, the Shire of Kent provided comments on the proposed transfer of land as part of the South West Native Title Settlement (Settlement), which is a landmark native title agreement reached between the State Government (State) and the six Noongar Agreement Groups. The Settlement recognises the Agreement Groups as the Traditional Owners of the south west of Western Australia, while resolving native title in exchange for a negotiated package of benefits.

A key negotiated benefit is the delivery of a 320,000 hectare Noongar Land Estate, the land will be used and managed in line with Noongar cultural, social and economic aspirations for the benefit of generations to come. The Landholding Body for all transferred land is the Noongar Boodja Land Sub Pty Ltd, which will hold and manage the land in the Noongar Land Estate.

The following parcels were selected by the Department of Planning, Lands and Heritage (Department) for inclusion in the Noongar Land Estate:

<b>PIN</b>	<b>Lot #</b>	<b>Survey #</b>	<b>Street Address</b>	<b>Townsite</b>	<b>Area (Ha)</b>

661421	120	DP91950	Reserve 30158	NYABING	4.71

Attachment 1 to this report is a copy of the minutes from a Special Meeting of Council held 2 February 2023. Within these minutes are Council comments relating to the identified land parcels and also Council's resolution.

**COMMENT**

The Department asked Council to provide commentary on the land parcels identified relating to the following (Council's comments from 2023 are in red):

1. *Is the Shire supportive of the transfer of this land to the Noongar People under the Settlement? – No*
2. *Does the Shire have any interest in the land? – Yes*
3. *Does the Shire of have existing or planned infrastructure within the land parcel that requires protection? If yes, please provide details and advise if access to this infrastructure will need to be maintained. – Yes (existing bore services)*
4. *Is the land parcel subject to any mandatory connection to services? – if rezoned, it would require connection to utilities, water and IT.*
5. *Are any future proposals for the land identified? Please provide detail of what is proposed and in what timeframe? – Yes. Council has an interest in Nampup Road as the only remaining potential Industrial Land Estate which Council will consider the 2-year rezoning process and subsequent development.*
6. *Are there any future proposals for adjoining land that may affect the land identifies in the spreadsheet? If so, in what timeframe? – No*
7. *Please advise of any proposed planning scheme amendments that may affect the zoning of this land at a State or Local Government level. If a scheme amendment is to occur, what is the change proposed and when will it come into effect? – Lots 131 to 138 north of Bin Road and east of Kukerin Road in the north-western part of the Nyabing Townsite are all classified 'Park & Recreation' reserve in the Shire's current Town Planning Scheme No 2 and 'Public Open Space' reserve in the Shire's new Local Planning Scheme No. 3 and would require amendment to 'Industrial'.*
8. *Please advise of any known land management issues such as site contamination, hazards, debris or rubbish dumping, unauthorised land use and environmental considerations (such as inundation or similar site constraints). – None*
9. *Please provide any additional comments on the proposed transfer of this land as part of the Settlement. – Council would appreciate full disclosure of the proposed land transfers slated for the future.*

DPLH have asked if the Shire can confirm if the bore services are still located on the subject land parcels, and provide a more precise location for these services. They have also advised that should the Shire require ongoing access to the bores, this can be accommodated by an access easement over the subject land parcels, or an excision of the impacted area.

The Shire of Kent Local Planning Scheme No.3 was Gazetted on 22 February 2023. Under this scheme all lots are marked as Public Open Space. The objectives Public Open Space is as follows:

- To set aside areas for public open space, particularly those established under the *Planning and Development Act 2005* s. 152.
- To provide for a range of active and passive recreation uses such as recreation buildings and courts and associated car parking and drainage.

Shire's comments are requested by January 3 2025.

**9.5 AMENDMENT OF HOUSING, PUBLIC BUILDINGS AND OTHER INFRASTRUCTURE WORKING GROUP TERMS OF REFERENCE**

<b>PROPOSED MEETING DATE:</b>	18 December 2024
<b>PROPONENT:</b>	N/A
<b>LOCATION:</b>	N/A
<b>AUTHOR:</b>	Christie Smith – Chief Executive Officer
<b>REPORTING OFFICER:</b>	Christie Smith – Chief Executive Officer
<b>FILE NO:</b>	GOV.325
<b>ASSESSMENT NO:</b>	N/A
<b>ATTACHMENTS:</b>	Attachment 1 – Current Terms of Reference Attachment 2 – Proposed Terms of Reference (marked up)
<b>DISCLOSURE OF INTEREST:</b>	Nil

**PURPOSE**

Council to consider an amendment to the Housing, Public Buildings and Other Infrastructure Working Group Terms of Reference to provide clarity around Working Group involvement in annual inspections.

**BACKGROUND**

At the Ordinary Meeting of Council held 15 November 2023, Council resolved to establish the Housing, Public Buildings and Other Infrastructure Working Group and the following elected members were appointed:

- Cr K Johnston
- Cr S Crosby
- Cr D Harris

**COMMENT**

One of the key objectives in the Housing, Public Buildings and Other Infrastructure Working Group’s Terms of Reference is *‘non-compulsory participation in annual inspections.’* As it is explicitly stated as non-compulsory, the CEO made the decision not to involve councillors in the 2024 inspections for the following reasons:

**Sensitive Nature of Inspections:** Visits and inspections can often cause discomfort between landlords and tenants. Given this, it is important that such activities are managed sensitively and with due regard for all parties involved. This issue is exacerbated by the fact that many of the tenants in the Shire’s housing portfolio are also employees of the Shire. It would be expected that the Shire, as a landlord, would exercise its rights to undertake routine inspections as required. However, with Council members and other Shire employees attending, it could exacerbate any discomfort that a tenant could experience.

**Residential Tenancies Act 1987:** The Shire, as landlord, has a legislative requirement to always respect the tenants’ right to ‘quiet enjoyment’ of the premises as outlined in the Act.

**Previous Full Inspection:** A full inspection of the properties was carried out with the entire working group in 2023, resulting in a list of strategic improvements that are required in the long term. This year’s inspection is more focused on routine operational matters, ensuring the properties are kept in clean and tidy condition, rather than addressing long-term planning or strategic issues.

In February 2025, a Housing, Public Buildings, and Other Infrastructure Working Group meeting will be held where:

- Copies of all inspection reports, including routine inspections, can be provided for working group review.
- As a group, review the current capital programs for housing, public buildings, and other infrastructure.
- Key staff will present recommendations regarding the future development and maintenance of these assets for consideration by Council.

An amendment is proposed to the Terms of Reference to clarify the frequency with which elected members are expected to participate in property inspections, with an emphasis on strategic planning. This adjustment aims to provide greater clarity and ensure a balanced approach between operational needs and strategic priorities.

Once every three years, it is proposed a whole of Shire inspection will be undertaken with all members of the Working Group invited to attend by the Chief Executive Officer. These inspections will be used to identify long-term strategic opportunities and other capital works required.

It is also proposed that routine rental inspections carried out pursuant to individual lease agreements will be done operationally at the direction of the Chief Executive Officer and by a Shire officer to identify routine maintenance requirements. Any capital expenditure required outside of identified budgets would be referred to the Working Group or Council as necessary for a recommendation and inclusion as part of budget conversations, depending on urgency.

## 9.6 LEASE EXTENSION – 24-26 RICHMOND STREET NYABING – NYABING TELEPHONE EXCHANGE

<b>PROPOSED MEETING DATE:</b>	18 December 2024
<b>PROPONENT:</b>	Amplitel Pty Ltd
<b>LOCATION:</b>	24-26 Richmond Street Nyabing
<b>AUTHOR:</b>	David Bentley – Deputy Chief Executive Officer
<b>REPORTING OFFICER:</b>	Christie Smith – Chief Executive Officer
<b>FILE NO:</b>	LEG.2
<b>ASSESSMENT NO:</b>	N/A
<b>ATTACHMENTS:</b>	Nil
<b>DISCLOSURE OF INTEREST:</b>	Nil

### **PURPOSE**

Council is requested to consider the provision of an extension of the existing lease to Amplitel Pty Ltd, who lease a portion of 24-26 Richmond Street for the Telstra Exchange site.

### **BACKGROUND**

Amplitel Pty Ltd are a part of the Telstra Group who have an existing lease over a portion of 24-26 Richmond Street Nyabing. Telstra's current lease agreement expires 14 May 2025 and have requested the Council to consider granting the first option term to ensure that services provided by the Telstra Exchange site are able to continue.

In relation to the existing agreement, Council granted delegated authority to the Chief Executive Officer at its meeting on 20 April 2015 to enter into a basic access lease with Telstra for the Nyabing Telephone Exchange site. The agreement was for a ten year period, with two five year option terms. This proposal considers the first option term.

### **COMMENT**

The proposed extension provides for the following basic terms and conditions:

- Five year option term, commencing 15 May 2025 and expiring 14 May 2030;
- Rental amount continuing at \$1 per annum plus GST as there is no rent review consideration in the lease;
- As the original lease was with Telstra and not Amplitel, any reference to Telstra in the existing lease will now reference Amplitel Pty Ltd; and
- A minor amendment in relation to each party being responsible for their own costs in developing the lease. This minor amendment clarifies an already pre-existing understanding.

### **STATUTORY IMPLICATIONS**

There are no statutory implications in relation to this matter. Those implications would have been considered when granting the original lease in 2015.

### **POLICY IMPLICATIONS**

Council doesn't have a specific policy in relation to this matter.

### **FINANCIAL IMPLICATIONS**

The financial implications from this report are negligible, with the rental amount being \$1 per annum.

### **STRATEGIC IMPLICATIONS**

There are no specific actions in the Shire of Kent's Strategic Community Plan relating to this matter.

**RISK IMPLICATIONS**

There is negligible risk to the Shire of Kent in granting the option term as recommended.

**VOTING REQUIREMENT**

Simple Majority

**OFFICER RECOMMENDATION**

**That Council**

- 1. Grants the first five-year option term to Amplitel Pty Ltd as trustee for the Towers Business Operating Trust in accordance with the terms and conditions contained within the lease.**
